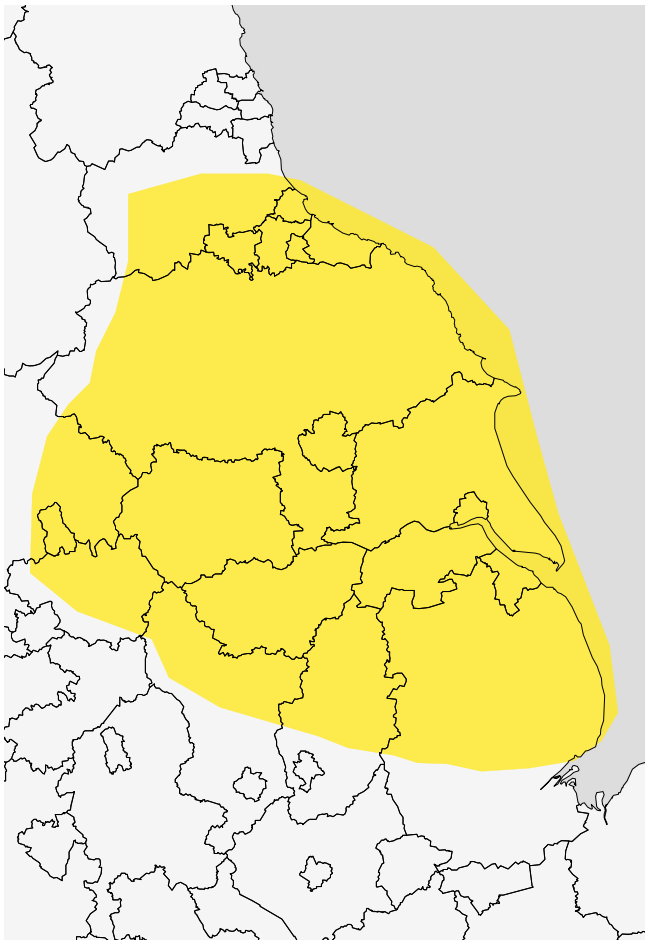
Yellow warning
Rain

Between
06:00 Thu 7 Nov 2019 and
06:00 Fri 8 Nov 2019



Prolonged rain through Thursday and overnight into Friday may bring disruption from flooding.

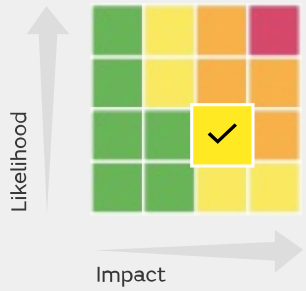
What to expect

- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, with a risk that some communities may be cut off by flooded roads
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Fast flowing or deep floodwater is possible, causing a danger to life

Further details

Rain, prolonged and occasionally heavy, will affect the area during Thursday. The rain will gradually ease overnight and clear away by Friday morning.

Some areas have already seen 20-30 mm of rain, with similar amounts expected over quite a wide area during the rest of Thursday and into the early hours of Friday. Event totals could reach 80-100 mm in a few locations over high ground, through the period - see Amber warning.



Low likelihood of medium impacts

Yellow warning
Rain

Between
06:00 Thu 7 Nov 2019 and
06:00 Fri 8 Nov 2019

Further Details (continued)

The rain will be accompanied by strengthening northeasterly winds, which may lead to significant leaf fall and impede drainage in places.

Reason for update

Warning area extended further west across Lancashire and Greater Manchester.
